

Exceptional Senior Executive Opportunity

Chief Executive

British Muslim Heritage Centre
College Road, Whalley Range, Manchester, M16 8BP

Salary: £60,000-£80,000

The British Muslim Heritage Centre (BMHC) is one of the most successful not for profit organisations established within the past 10 years achieving national recognition, including the recent Queens' Award for Voluntary Services 2018 and the Muslim Award 2016. The mission of BMHC is to build trust between communities, especially Muslims and Non-Muslims, through the promotion and celebration of Muslim heritage. Our mission is being fulfilled by working collaboratively with major academic, heritage, think-tank and business organisations in the UK and across the world.

The BMHC is currently seeking an exceptional leader to take the organisation to the next stage of development, fulfilling the Trustees ambitious plan to become a national and global player in developing, promoting and celebrating models of trust building and society cohesion. These are underpinned by exploration of common human history and heritage. The successful candidate will have the opportunity to work alongside proactive trustees in further developing and shaping the organisation and the opportunity to become an expert voice on the national and global stage.

If you have the ambition and skills to match ours and believe in our values, we would like to hear from you.
